## Diamonds Premier

**The Prens have an away double-header, at Bracknell and Chelmsford on 20<sup>th</sup>/21<sup>st</sup> Jan, and they know that they have to take some points from the weekend.**

The Prens began their weekend away with a game in Bracknell, and they got off to a good start, Jo Cockerton, arriving just minutes before the opening face-off put the Diamonds ahead on her first shift, deflecting a shot from Megan Harrison into the back of the net at 2.46. Reagan Downing doubled the Diamonds' advantage at 13.40 with an unassisted tally, giving the girls in blue a 0-2 lead after the first period. Holly Steeples held the home-side at bay. Into the second period and Reagan Downing added her second of the game at 20.02 after good work from Jo Cockerton to keep the puck in the zone. Bracknell hit back at 36.59 as Laffitte set off on a breakaway, with the D unable to catch her she finished with style to put the home team on the board.

The Diamonds were not finished, and Reagan Downing finished her hat-trick at 34.58 with an assist to Jemma Brown. Captain, Beth Barwell finished the scoring as she let a bomb go from the blue line, straight past the netminder for 1-5 at 36.52, Megan Harrison picking up the assist. Charlotte Cook played the third period and kept out all the attempts from Bracknell. A good two points and a nice road win. Onto to the next one.

### Final Score Bracknell 1-5 Kingston

The following day the Prens travelled to Chelmsford with a short bench, missing some key players, in particular their Captain Beth Barwell. The Diamonds couldn't have wished for a better start as Reagan Downing firing them into the lead just 49 seconds into the game. Chelmsford didn't stay down for long before they tied the game at 2.57, Jennifer Bolton walked in from the corner unhindered and fired top-shelf for 1-1. The Diamonds collapsed a bit here and Chelmsford took advantage, Abbie Sylvester put the home-side ahead at 10.42 with an unassisted effort before scoring her second goal at 15.05 for 3-1 at the end of the first period.

The Diamonds continued to struggle and the Cobras extended their lead to 5-1, this time Ellie Wakeling bagged a double, scoring at 22.54 assisted by Sylvester and at 32.17 assisted by Hutcheon.

This prompted a comeback from the Diamonds, Carla Clark somehow managed to squeeze the puck into the net, from behind the goal line for a shorthanded goal at 37.41, before Dawn Dickinson got the Diamonds another before the end of the period, her shot from the blue line evaded the Cobras netminder for a powerplay goal at 39.46, assisted Cockerton.

The Diamonds had hope and Carla Clark brought them within one at 41.37, batting home a rebound after a shot from Ishbel Wright. Despite throwing everything they could at the Chelmsford defense, the Diamonds comeback fell short and the Cobras scored a brace at 48.06, Plankova sealing the deal with a powerplay goal. A vast improvement than the previous performance against this side and lots to build on going forward!

## Diamonds Elite

**The Elites have a couple of games this month, starting with an away fixture at Bracknell on 20<sup>th</sup>, before finishing the month with a home fixture vs Guildford on 28<sup>th</sup>, worth double points.**

The Elites were on the ice straight after the Premis in Bracknell for a tough match against the league-leaders. A fairly quiet first period saw Bracknell take the lead at 9.04 through Rachel Cartwright.

The second period momentum swung heavily in favour of Bracknell as they fired 30 shots at Sam Bolwell in the Diamonds net. Their strength showed as Cartwright doubled her teams lead at 27.07, smacking home a rebound before Chrissy Newman did the same at 32.56 for 3-0. The Diamonds couldn't find a way to create any offence and Bracknell kept their foot on the gas, extending their lead at 37.54 through Sophie Herbert.

The third period came and Holly Steeples took her place between the pipes in relief of Bolwell, and Bracknell continued their onslaught. Still the Diamonds found themselves camped in their own D-zone and the pressure showed as Cartwright finished off her hat-trick at 48.18 to finalise the scoring. A second game running where the Elites have been shutout, they realise they must be better in order to cling onto their play-off spot. Next week they face Guildford at home, this is a huge game as it is worth double points and a win is very much needed.

### **Final Score Bracknell 5-0 Kingston**

The next game for the Elites was to be crucial, a home fixture vs Guildford with double points at stake.

The Diamonds were up for it from the off, and both teams shared chances in the opening minutes. Guildford started out stronger but the Diamonds grew into the first period, although neither side could find the opening goal inside the first 20 minutes.

Into the second period and again both teams traded opportunities. Guildford got themselves a powerplay and broke the deadlock; a shot from the point was blocked but the puck fell nicely for Louise Adams who batted it home at 27.17 for 0-1. Midway through the game saw some excitement as players clashed, punches being thrown left, right and centre. Eventually Hannah Worthington for the Diamonds and Faye Andrews for Guildford were both ejected from the game, and the Diamonds came out with a powerplay. Despite strong pressure they still couldn't find a way past Barrow in the Guildford net.

The final period came and a very appreciative crowd willed the Diamonds on and they responded with long spells of pressure. After a long period of zone time the Diamonds finally levelled the score. Good work down low from Carla Clark allowed Holly Cornford to feed the puck to Shannon Jones who was lurking at the side of the goal, she picked her spot and ripped it into the back of the net at 51.18.

This proved to be all she wrote as neither side could find a winner and the points were split. The Diamonds were unlucky not to get the win but 2 points important points on the board, and their best overall performance this season.
